10/90 report on health research 2000 (The Global Forum for Health Research). **120**(3), 197 (BR)
24-hour primary care (Salisbury C *et al*). **120**(2), 131 (BR)

A

A case study on transcultural medicine: how quinine may improve nightlife (Qureshi B). **120**(3), 141 (CT)
A rapid appraisal method for the selection and pre-testing of environmental health leaflets (Harvey H D and Fleming P). **120**(2), 112-116 (R)
A secondary interpretation is needed on serum CA 125 levels in case of serosal involvement. **120**(4), 268-270 (L)
A survey of postgraduate education programmes and research interests of GPs in community trusts in an inner city area (Littlewood J *et al*). **120**(2), 96-99 (R)
Abdelrhman B M, *see* Al-Doghaither A H. **120**(3), 170-174 (R)
Abioye-Kuteyi E A, *Menstrual knowledge and practices amongst secondary school girls in Ile Ife, Nigeria.* **120**(1), 23-26 (R)
Accommodation, *Housing rights guide* (Randall G). **120**(2), 133 (BR)
ACHCEW Commission, *New life for health. The ACHCEW Commission on the NHS.* **120**(3), 198 (BR)
Adenoma, *Dietary advice on cancer prevention: time for a change?* (Hill M J and Davies G J). **120**(4), 227-229 (A)
Adiposity, *Comparison of anthropometric characteristics between normotensive and hypertensive individuals among a population of Bengalee Hindu elderly men in Calcutta, India* (Ghosh A *et al*). **120**(2), 100-106 (R)
Adolescence
- *Menstrual knowledge and practices amongst secondary school girls in Ile Ife, Nigeria* (Abioye-Kuteyi E A). **120**(1), 23-26 (R)
- *Young people in 1999* (Balding J). **120**(4), 267 (BR)
African countries, *In the rationing of healthcare in indigent African populations, which services should come first?* (Walker A R P and Wadee A A). **120**(3), 152-157 (A)
Ageing, *Real age: are you as young as you can be?* (Roizen M F). **120**(1), 60 (BR)
Ahmed A S M
- *et al, Ascites and elevated serum CA 125 due to a pancreatic carcinoma. A diagnostic dilemma.* **120**(1), 47-51 (LTBL)
- *et al, A secondary interpretation is needed on serum CA 125 levels in case of serosal involvement.* **120**(4), 269-270 (L)
AIDS and men: taking risks or taking responsibility? (Foreman M). **120**(1), 62-63 (BR)
Air quality
- *Controlling particles from construction and demolition: a draft code of practice* (Brundrett G). **120**(2), 73 (CT)
- *Nitrogen dioxide and particle pollution near trunk roads and in towns of the South Midlands in England* (Sauerbeck G *et al*). **120**(3), 183-187 (R)
Air travel, *Aircraft cabin environment* (Brundrett G). **120**(2), 82 (CT)
Aircraft cabin environment (Brundrett G). **120**(2), 82 (CT)
Akukwe C, *AIDS and men: taking risks or taking responsibility?* (Foreman M). **120**(1), 62-63 (BR)
Alcohol, *Beneficial effect of moderate alcohol consumption on vascular disease: myth or reality?* (Papadakis J A *et al*). **120**(1), 11-15 (A)
Al-Doghaither A H *et al, Patients' satisfaction with physicians' services in primary healthcare centres in Kuwait City, Kuwait.* **120**(3), 170-174 (R)
Allergy, *Is childhood allergy more common amongst an island population?* (Jeffs D *et al*). **120**(4), 236-241 (R)
Allocations, *In the rationing of healthcare in indigent African populations which services should come first?* (Walker A R P and Wadee A A). **120**(3), 152-157 (A)
Allopathic medicine, *Complementary therapy: complement or threat to modern medicine?* (Veeramah E K and Holmes S). **120**(1), 42-46 (A)
Al-Nour M, *see* Dewan M. **120**(3), 192-195 (LTBL)
Alternative medicine
- *Complementary therapy: complement or threat to modern medicine?* (Veeramah E K and Holmes S). **120**(1), 42-46 (A)
- *Medicine 2000 years ago: the case of Qumran and other biblical sites* (Moss G A). **120**(4), 255-261 (HP)
Alzheimer memory trail, *Sensory and movement-led approach to design for elderly severely mentally ill units* (Habell M). **120**(1), 34-41 (A)
Amuna P, *see* Ojo O. **120**(4), 230-235 (R)
An overview of diagnostic enzymology (Donaldson D). **120**(3), 149-150 (CT)
Anaesthetics, *Medicine 2000 years ago: the case of Qumran and other biblical sites* (Moss G A). **120**(4), 255-261 (HP)
Analysis of hospital costs: a manual for managers (Shepard D S *et al*). **120**(3), 197-198 (BR)
Anatomy
- *Johann Friedrich Meckel the younger and his diverticulum* (Daniels I R). **120**(2), 125-126 (HP)
- *Wolf-Heidegger's atlas of the human anatomy* (Köpf-Maier P). **120**(1), 54-55 (BR)
Anorexia, *Bulimia anorexia. The binge/purge cycle and self-starvation* (Boskind-White M and White W C). **120**(4), 267 (BR)
Anthropometry, *Use of anthropometric and clinical parameters for early identification and categorisation of nutritional risk in pre-school children in Benin City, Nigeria* (Ojo O *et al*). **120**(4), 230-235 (R)
Antibiotic resistance, *Of cystitis and cranberries* (Patel N and Daniels I R). **120**(1), 52-53 (BP)
Antibiotics, *How to be rational in prescribing antibiotics* (Qureshi B). **120**(1), 5 (CT)
Antwi D K N, *Roman surgical practice.* **120**(3), 188-191 (HP)
Apparent mineralocorticoid excess syndrome, *Liquorice and its health implications* (Olukoga A and Donaldson D). **120**(2), 83-89 (A)
Appendectomy, *Johann Friedrich Meckel the younger and his diverticulum* (Daniels I R). **120**(2), 125-126 (HP)
Arthritis, *Patient pictures - rheumatology* (Isaacs J D). **120**(1), 59 (BR)
Asbestos: the unwanted legacy (Gorman T). **120**(3), 201 (BR)
Ascites
- *A secondary interpretation is needed on serum CA 125 levels in case of serosal involvement* (Ahmed A S M *et al*). **120**(4), 269-270 (L)
- *A secondary interpretation is needed on serum CA 125 levels in case of serosal involvement* (Sevinc A *et al*). **120**(4), 268-269 (L)
- *Ascites and elevated serum CA 125 due to a pancreatic carcinoma. A diagnostic dilemma* (Ahmed A S M *et al*). **120**(1), 47-51 (LTBL)
Ascites and elevated serum CA 125 due to a pancreatic carcinoma. A diagnostic dilemma (Ahmed A S M *et al*). **120**(1), 47-51 (LTBL)
Asian origin, *Do Asians with diabetes in Sandwell receive inferior primary care? A retrospective cohort study* (Stewart A and Rao J N). **120**(4), 248-254 (R)
Asperger's syndrome: a guide for parents and professionals (Atwood T). **120**(1), 60 (BR)
Assessing children's vision: a handbook (Leat S J *et al*). **120**(3), 200 (BR)
Asthma
- *Fast facts - asthma* (Holgate S T and Pauwels R A). **120**(2), 132 (BR)
- *Is childhood allergy more common amongst an island population?* (Jeffs D *et al*). **120**(4), 236-241 (R)
- *Reassessing the literature on pets, children and asthma* (Brundrett G). **120**(3), 151 (CT)
Aston G
- *Clay's handbook of environmental health* (Bassett W H). **120**(1), 59 (BR)
- *Food hygiene - a critical examination of standards.* **120**(2), 79-81 (CT)
- *Food hygiene in hospitals - are we training the right people?* **120**(4), 211 (CT)
Atropa belladonna, Unseasonal severe poisoning of two adults by deadly nightshade (Atropa belladonna) (Southgate H J *et al*). **120**(2), 127-130 (LTBL)
Atropine poisoning, *Unseasonal severe poisoning of two adults by deadly nightshade (Atropa belladonna)* (Southgate H J *et al*). **120**(2),

127-130 (LTBL)
Attention deficit hyperactivity disorder, *Marching to a different tune: diary about an ADHD boy* (Fletcher J). **120**(1), 56 (BR)
Atwood T, *Asperger's syndrome: a guide for parents and professionals*. **120**(1), 60 (BR)
Audit, *Study of the quality of care at a diabetic clinic in Sri Lanka* (Mulgirigama A and Illangasekera U). **120**(3), 164-169 (R)
Autism, *Children with autism: diagnosis and intervention to meet their needs* (Trevarthen C *et al*). **120**(1), 57-58 (BR)

B

Back pain, *Extramedullary plasmacytoma presenting as upper back pain* (Ganesh M *et al*). **120**(4), 262-265 (LTBL)
Bacterial infection, *Urinary tract infection in children: a review of its pathogenesis and risk factors* (Twaij M). **120**(4), 220-226 (A)
Balding J, *Young people in 1999*. **120**(4), 267 (BR)
Barlow D H and Wren B G, *Fast facts - menopause*. **120**(2), 133 (BR)
Barry S
- *Clinical drawings for your patients: bladder disorders* (Versi E and Christmas T). **120**(3), 199 (BR)
- *Health of refugees. A guide for GPs* (Levenson R and Coker N). **120**(3), 196 (BR)
- *Fast facts - asthma* (Holgate S T and Pauwels R A). **120**(2), 132 (BR)
- *Fast facts - gynaecology highlights 1998-1999* (Thomas E J and William Stones R). **120**(1), 58 (BR)
- *Fast facts - menopause* (Barlow D H and Wren B G). **120**(2), 133 (BR)
- *Urinary tract infection* (Stanton S and Dwyer P). **120**(3), 199 (BR)

Bassett W H, *Clay's handbook of environmental health*. **120**(1), 59 (BR)
Beer N, *see* Littlewood J. **120**(2), 96-99 (R)
Behaviour
- *Marching to a different tune: diary about an ADHD boy* (Fletcher J). **120**(1), 56 (BR)
- *Young people in 1999* (Balding J). **120**(4), 267 (BR)

Bender D A, *Your health at risk: what doctors and the Government aren't telling you* (Jeffreys T). **120**(1), 55 (BR)
Beneficial effect of moderate alcohol consumption on vascular disease: myth or reality? (Papadakis J A *et al*). **120**(1), 11-15 (A)
Benefits and risks of fluoridation - new evidence (Qureshi B). **120**(4), 211 (CT)
Bengalee men, *Comparison of anthropometric characteristics between normotensive and hypertensive individuals among a population of Bengalee Hindu elderly men in Calcutta, India* (Ghosh A *et al*). **120**(2), 100-106 (R)
Best value, *A rapid appraisal method for the selection and pre-testing of environmental health leaflets* (Harvey H D and Fleming P). **120**(2), 112-116 (R)
Biblical medicine, *Medicine 2000 years ago: the case of Qumran and other biblical sites* (Moss G A). **120**(4), 255-261 (HP)
Blackwood A D *et al*, *Dietary fibre, physicochemical properties and their relationship to health*. **120**(4), 242-247 (R)
Bladder
- *Clinical drawings for your patients: bladder disorders* (Versi E and Christmas T). **120**(3), 199 (BR)
- *Urinary tract infection in children: a review of its pathogenesis and risk factors* (Twaij M). **120**(4), 220-226 (A)

Blades M, *Managing the message. A tool kit for health service communicators* (Lilley R and Bowden G). **120**(3), 198 (BR)
Body in everyday life (Nettleton S and Watson J). **120**(1), 54 (BR)
Book prices. **120**(3), 202 (L)
Borreliosis, *Lyme disease (borreliosis) - as a possible cause of depression* (Donaldson D). **120**(1), 5-6 (CT)
Bose K, *see* Ghosh A. **120**(2), 100-106 (R)
Boskind-White M and White W C, *Bulimia anorexia. The binge/purge cycle and self-starvation*. **120**(4), 267 (BR)
Bowel control: information and practical advice (Norton C and Kamm M A). **120**(1), 62 (BR)
Bronchiectasis, *Carcinoid tumourlets associated with diffuse bronchiectasis and intralobar sequestration* (Dewan M *et al*). **120**(3), 192-195 (LTBL)
Brundrett G
- *Aircraft cabin environment*. **120**(2), 82 (CT)
- *Asbestos: the unwanted legacy* (Gorman T). **120**(3), 201 (BR)
- *Controlling particles from construction and demolition: a draft code of practice*. **120**(2), 73 (CT)
- *Housing rights guide* (Randall G). **120**(2), 133 (BR)
- *New guidelines on legionnaire's disease*. **120**(4), 210-211 (CT)
- *Reassessing the literature on pets, children and asthma*. **120**(3), 151 (CT)

Building design, *Sensory and movement-led approach to design for elderly severely mentally ill units* (Habell M). **120**(1), 34-41 (A)
Building guidelines, *New guidelines on legionnaire's disease* (Brundrett G). **120**(4), 210-211 (CT)
Building Research Establishment, *Controlling particles from construction and demolition: a draft code of practice* (Brundrett G). **120**(2), 73 (CT)
Bulimia anorexia. The binge/purge cycle and self-starvation (Boskind-White M and White W C). **120**(4), 267 (BR)
Buyukberber S, *see* Sevinc A. **120**(4), 268-269 (L)

C

Calvert R C
- *et al, Chemoprevention: an important treatment option for prostate cancer*. **120**(3), 146-147 (CT)
- *et al, Public awareness of cigarette smoking and erectile dysfunction*. **120**(1), 7 (CT)

Camci C, *see* Sevinc A. **120**(4), 268-269 (L)
Cancer
- *Cancer patients are now surviving longer in Britain* (Qureshi B). **120**(2), 77 (CT)
- *Chemoprevention: an important treatment option for prostate cancer* (Calvert R C *et al*). **120**(3), 146-147 (CT)
- *Surveillance after colorectal cancer resection* (Davies G J). **120**(1), 8 (CT)

Cancer prevention, *Dietary advice on cancer prevention: time for a change?* (Hill M J and Davies G J). **120**(4), 227-229 (A)
Carcinoid syndrome, *Carcinoid tumours - the carcinoid syndrome and serotonin (5-HT): a brief review* (Donaldson D). **120**(2), 78 (CT)
Carcinoid tumours
- *Carcinoid tumourlets associated with diffuse bronchiectasis and intralobar sequestration* (Dewan M *et al*). **120**(3), 192-195 (LTBL)
- *Carcinoid tumours - the carcinoid syndrome and serotonin (5-HT): a brief review* (Donaldson D). **120**(2), 78 (CT)

Carcinoid tumours - the carcinoid syndrome and serotonin (5-HT): a brief review (Donaldson D). **120**(2), 78 (CT)
Cardiovascular disease, *Beneficial effect of moderate alcohol consumption on vascular disease: myth or reality?* (Papadakis J A *et al*). **120**(1), 11-15 (A)
Care provision, *Modernisation of prison healthcare?* (Holmes S). **120**(1), 6-7 (CT)
Caring for Muslim patients (Shaikh A and Gatrad R). **120**(3), 196 (BR)
Carlyle J, *see* Sauerbeck G. **120**(3), 183-187 (R)
Case study
- *Ascites and elevated serum CA 125 due to a pancreatic carcinoma. A diagnostic dilemma* (Ahmed A S M *et al*). **120**(1), 47-51 (LTBL)
- *Carcinoid tumourlets associated with diffuse bronchiectasis and intralobar sequestration* (Dewan M *et al*). **120**(3), 192-195 (LTBL)
- *Extramedullary plasmacytoma presenting as upper back pain* (Ganesh M *et al*). **120**(4), 262-265 (LTBL)
- *Unseasonal severe poisoning of two adults by deadly nightshade (Atropa belladonna)* (Southgate H J *et al*). **120**(2), 127-130 (LTBL)

Central body fat distribution, *Comparison of anthropometric characteristics between normotensive and hypertensive individuals among a population of Bengalee Hindu elderly men in Calcutta, India* (Ghosh A *et al*). **120**(2), 100-106 (R)

Cereals, *Dietary advice on cancer prevention: time for a change?* (Hill M J and Davies G J). **120**(4), 227-229 (A)
Chamba R *et al*, *On the edge: minority ethnic families caring for a severely disabled child.* **120**(2), 134 (BR)
Chambers R and Wall D, *Teaching made easy - a manual for health professionals.* **120**(1), 56 (BR)
Chaplin M F, *see* Blackwood A D. **120**(4), 242-247 (R)
Charman N, *Assessing children's vision: a handbook* (Leat S J *et al*). **120**(3), 200 (BR)
Chemoprevention: an important treatment option for prostate cancer (Calvert R C *et al*). **120**(3), 146-147 (CT)
Child health
- *Children with autism: diagnosis and intervention to meet their needs* (Trevarthen C *et al*). **120**(1), 57-58 (BR)
- *Evaluating the child with proteinuria* (Leung A K C and Robson W L M). **120**(1), 16-22 (A)
- *'Glue ear' in perspective* (Chopra R). **120**(2), 90-93 (A)
- *Is childhood allergy more common amongst an island population?* (Jeffs D *et al*). **120**(4), 236-241(R)
- *Marching to a different tune: diary about an ADHD boy* (Fletcher J). **120**(1), 56 (BR)
- *Menstrual knowledge and practices amongst secondary school girls in Ile Ife, Nigeria* (Abioye-Kuteyi E A). **120**(1), 23-26 (R)
- *Oedema in childhood* (Leung A K C and Robson W L M). **120**(4), 212-219 (A)
- *Urinary tract infection in children: a review of its pathogenesis and risk factors* (Twaij M). **120**(4), 220-226 (A)
- *Use of anthropometric and clinical parameters for early identification and categorisation of nutritional risk in pre-school children in Benin City, Nigeria* (Ojo O *et al*). **120**(4), 230-235 (R)
Childbirth, *Health information on the web: pregnancy* (Sai Sankar N). **120**(2), 94-95 (A)
Childhood allergy, *Is childhood allergy more common amongst an island population?* (Jeffs D *et al*). **120**(4), 236-241(R)
Childhood asthma, *Is childhood allergy more common amongst an island population?* (Jeffs D *et al*). **120**(4), 236-241(R)
Children
- *Assessing children's vision: a handbook* (Leat S J *et al*). **120**(3), 200 (BR)
- *Children with autism: diagnosis and intervention to meet their needs* (Trevarthen C *et al*). **120**(1), 57-58 (BR)
- *Encouraging children to eat more fruit* (Shepherd M). **120**(4), 209 (CT)
- *Evaluating the child with proteinuria* (Leung A K C and Robson W L M). **120**(1), 16-22 (A)
- *Oedema in childhood* (Leung A K C and Robson W L M). **120**(4), 212-219 (A)
- *Reassessing the literature on pets, children and asthma* (Brundrett G). **120**(3), 151 (CT)
- *Use of anthropometric and clinical parameters for early identification and categorisation of nutritional risk in pre-school children in Benin City, Nigeria* (Ojo O *et al*). **120**(4), 230-235 (R)

China, *Treating a hidden problem: tuberculosis among China's 'floating people'* (Wilkinson G). **120**(2), 76-77 (CT)
Cholesterol, *Long-term safety and tolerability of ispaghula husk* (Oliver S D). **120**(2), 107-111 (R)
Chopra R
- *Epistaxis: a review.* **120**(1), 31-33 (A)
- *'Glue ear' in perspective.* **120**(2), 90-93 (A)
Chronic hypoxia, *Carcinoid tumourlets associated with diffuse bronchiectasis and intralobar sequestration* (Dewan M *et al*). **120**(3), 192-195 (LTBL)
Chronic obstructive pulmonary disease, *Promoting better health for patients with chronic obstructive pulmonary disease* (Coakley A L and Ruston A). **120**(3), 142-143 (CT)
Cigarettes
- *Cigarette smoking and the kidney* (Sessa A *et al*). **120**(4), 267 (BR)
- *Public awareness of cigarette smoking and erectile dysfunction* (Calvert R C *et al*). **120**(1), 7 (CT)
Clarke Ann and Clarke Alan, *Early experience and the life path.* **120**(2), 131 (BR)
Classification of epilepsy and epileptic seizures (Shaw A). **120**(1), 9 (CT)
Clay's handbook of environmental health (Bassett W H). **120**(1), 59 (BR)
Clinical drawings for your patients: bladder disorders (Versi E and Christmas T). **120**(3), 199 (BR)
Clinical negligence in general practice (Drury M). **120**(3), 196-197 (BR)
Clinical scores, *Use of anthropometric and clinical parameters for early identification and categorisation of nutritional risk in pre-school children in Benin City, Nigeria* (Ojo O *et al*). **120**(4), 230-235 (R)
Cloud cuckoo land: a tale with a message (Millard P H). **120**(4), 266 (A)
Clydebank, *Asbestos: the unwanted legacy* (Gorman T). **120**(3), 201 (BR)
Coakley A L
- and Ruston A, *Promoting better health for patients with chronic obstructive pulmonary disease.* **120**(3), 142-143 (CT)
- *Teaching made easy - a manual for health professionals* (Chambers R and Wall D). **120**(1), 56 (BR)
Cognitive-behavioural approaches and weight management: an overview (Lih-Mai Liao K). **120**(1), 27-30 (A)
Cognitive behaviour therapy, *Cognitive-behavioural approaches and weight management: an overview* (Lih-Mai Liao K). **120**(1), 27-30 (A)
Collaboration, *A survey of postgraduate education programmes and research interests of GPs in community trusts in an inner city area* (Littlewood J *et al*). **120**(2), 96-99 (R)
Colorectal cancer, *Surveillance after colorectal cancer resection* (Davies G J). **120**(1), 8 (CT)
Colour vision defects among doctors and diabetic patients: implications for diagnosis and management (Qureshi B). **120**(2), 76 (CT)
Commercial use, *Liquorice and its health implications* (Olukoga A and Donaldson D). **120**(2), 83-89 (A)
Community care practice and the law (Mandelstam M). **120**(3), 197 (BR)
Community health workers: the way forward (Kahssay H M *et al*). **120**(1), 61 (BR)
Community nurses, *A survey of postgraduate education programmes and research interests of GPs in community trusts in an inner city area* (Littlewood J *et al*). **120**(2), 96-99 (R)
Comparison of anthropometric characteristics between normotensive and hypertensive individuals among a population of Bengalee Hindu elderly men in Calcutta, India (Ghosh A *et al*). **120**(2), 100-106 (R)
Complementary medicine, *Complementary therapy: complement or threat to modern medicine?* (Veeramah E K and Holmes S). **120**(1), 42-46 (A)
Complementary therapy: complement or threat to modern medicine? (Veeramah E K and Holmes S). **120**(1), 42-46 (A)
Complications, *Johann Friedrich Meckel the younger and his diverticulum* (Daniels I R). **120**(2), 125-126 (HP)
Computerised tomography scan guided biopsy, *Extramedullary plasmacytoma presenting as upper back pain* (Ganesh M *et al*). **120**(4), 262-265 (LTBL)
Construction, *Controlling particles from construction and demolition: a draft code of practice* (Brundrett G). **120**(2), 73 (CT)
Consumers, *Is there a 'typical' consumer of obstetric services?* (Tinson J). **120**(3), 158-163 (A)
Continuing education, *A survey of postgraduate education programmes and research interests of GPs in community trusts in an inner city area* (Littlewood J *et al*). **120**(2), 96-99 (R)
Contraception, *Fast facts - contraception* (Glasier A and Winikoff B). **120**(2), 132 (BR)
Controlling particles from construction and demolition: a draft code of practice (Brundrett G). **120**(2), 73 (CT)
Convulsions, *Classification of epilepsy and epileptic seizures* (Shaw A). **120**(1), 9 (CT)
Cook A L, *Bowel control: information and prac-*

tical advice (Norton C and Kamm M A). **120**(1), 62 (BR)
Coronary heart disease, *Implications of the National Service Framework for coronary heart disease* (Wierzbicki A S). **120**(3), 143-145 (CT)
